Remarks were provided by Governor Pete Ricketts, Lieutenant Governor Mike Foley, Attorney General Doug Peterson, and Nebraska Superintendent, Colonel Brad Rice. The Oath of Office was administered by Secretary of State John Gale.

The 19 members of the class, 15 men and four women, completed 23 weeks of training at the Nebraska State Patrol Training Academy in Grand Island. Their instruction involved 1018 academic hours and 34 exams including both written and practical. Sixteen new troopers are assigned to Traffic in the Field Services Division, while three are assigned to the Carrier Enforcement Division.

Colonel's Corner

For It Is Our Duty

As the rays of late summer sunshine filtered through stained glass windows, 19 members of Recruit Class 57 marched into the Rotunda of the State Capitol. Four women and 15 men stood proudly before their family, friends and fellow officers. Dressed neatly in their new uniforms, they raised their right hands and pledged to protect and serve. They recited the oath of office, promising to lay their life on the line for the safety of others. For 23 weeks prior to graduation the Nebraska State Patrol Training Academy staff and countless subject matter experts, provided them the knowledge and skills needed to perform their duties. During the nearly six months of camp, the men and women of Class 57 learned more than just the basics. They matured, they sacrificed, they were tested, and they were humbled. Their shortcomings became motivation to reach the high standards set for them. They came to understand the meaning of teamwork and took comfort in knowing someone always had their back. Their class motto "For It Is Our Duty", became words to live by. A pledge to be there, day in and day out to assist those in need and protect the rights of all citizens. This is an exciting time for our new troopers. I hope you join me in welcoming them into our family as we look forward to seeing what the future holds for them.

Colonel Brad Rice #554

In closing, as we mark the 15th anniversary of the terrorist attacks of 9/11, let us never forget the sacrifices made on that horrific day. As we continue to honor the memory of the innocent victims and pay tribute to the hundreds of fellow law enforcement and emergency workers who gave their lives in the service of others, let us all take a moment to reflect on the fact that we are servants at heart and strive to put others first as we renew our commitment to protect and serve.

Junior Law Cadet Program Held at Training Academy

Every year, high school juniors from each of The American Legion's 14 Districts in Nebraska are chosen to participate in the Junior Law Cadet Program. The program, which originated in Nebraska in 1968, gives students entering their senior year of high school the opportunity to experience various aspects of law enforcement. They participate in daily physical training, and receive instruction in firearms, self-defense, fingerprinting, K-9 handling, accident and criminal investigation, polygraph testing, pursuit driving, and more. Two sessions of the program were held in June at the Nebraska State Patrol Training Academy in Grand Island. This year, 39 girls and 38 boys participated.

Troopers Successful at National Competitions

Several Nebraska State Patrol Troopers did well at national competitions this past summer! In July, Troopers Bruce Okamoto, #204 ,York, and Kevin Stary #476, Columbus, competed in the New Mexico HAZMAT Challenge held at the Los Alamos National Laboratory. The troopers, along with John Clark of McCook, and Bill Pfeifer of Madison, won first place in the Obstacle Course event. The HAZMAT Challenge is a week-long challenge that tests skills in hazardous materials response.

Carrier Enforcement Trooper Ben Schropfer #360 earned first place at the North American Inspector Championships (NAIC), in August in Indianapolis, Indiana. Schropfer took the top spot in the Hazardous Materials/Transportation of Dangerous Goods and Cargo Tank/Bulk Packaging Inspection. This was Trooper Schropfer's fourth trip to NAIC, having participated in 2010, 2011 and 2014. In 2011, he earned the same first place award, and in 2010 he took second place in the individual category for Level I inspections.

Accreditation Team Visits

CALEA Assessors Major Albert Leary and Special Agent Cynthia Ledford working at State Headquarters.

Assessors from the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA) spent a week in August examining all aspects of the Nebraska State Patrol's policy and procedures, management, operations and support services.

The assessors, Major Albert Leary, Henrico County Police Division, Henrico, Virginia, and Special Agent Cynthia Ledford, Georgia Bureau of Investigation, Decatur, Georgia, reviewed written material, conducted interviews, and attended various functions.

Assessor verification is a voluntary process used to ensure the Nebraska State Patrol meets the Commission's state-of-the-art standards in retaining its accreditation, a highly cherished recognition of law enforcement excellence.

The Nebraska State Patrol was first accredited in 1989.

Set Yourself Up For Success

By Ret. Lieutenant. F. Jane Tooley
NSP Foundation Board Member

At a training I attended recently, the instructor explained why some rescue efforts fail. It occurred to me that many of these elements also apply to the activities and investigations of law enforcement:

- Fail to understand the environment.
- Additional complications overlooked.
- Inadequate preparation.
- Lack of teamwork and training.
- Not Understanding logistical needs.
- Rescue and recovery.
- Equipment not mastered or understood.

What do you need to ensure your efforts are successful? Specialized equipment? Training? Or even small handout items like pens and stickers? The Nebraska State Patrol Foundation was established to provide support for projects where state funding isn't available. We're here to help, but we can't do it if we don't know your needs. So think outside the box, and don't hesitate to reach out to us with ideas.

Foundation brochures now available

The Foundation has recently printed and distributed an informative brochure to each troop area. The three-panel brochure includes a detachable donation card, and is meant to be shared with citizens interested in contributing to the Patrol, or with any person wishing to learn more about the NSP Foundation. Please contact Brady Rivers in the Grants office for additional brochures.

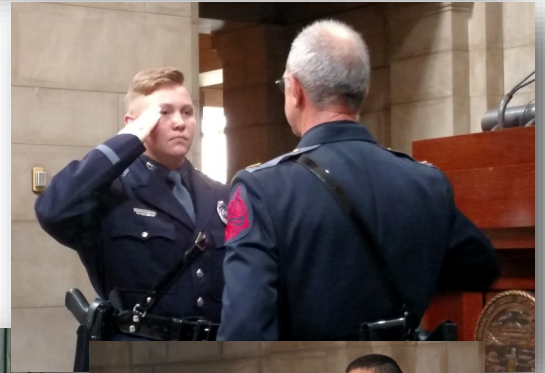

Quarterly Donations

The NSP Foundation got a pleasant surprise this past August in the form of a \$5,000 check from the BNSF Railway Foundation. The grant was awarded through the organization's First Responders Express program in honor of Nebraska law enforcement. "We like to be proactive and look for ways to support those entities that take such good care of their communities," says Deanna Dugas, BNSF Railway Foundation manager.

Visit any given high school sporting event this fall and winter, and you're likely to see multicolored, soft projectiles launched into the stands- in red, dark heather, electric green, and safety pink, to be exact. Thanks to the continued generosity of AAA Nebraska, the Foundation purchased t-shirts printed with a seatbelt safety message to distribute at public events, often with the aid of a pneumatic cannon. The 't-shirt shooter' is popular with kids, and the shirts serve as a reminder to keep safe on the road.

Patrol Busy at Nebraska State Fair

Nebraska State Patrol troopers and civilians were quite active at the 2016 Nebraska State Fair at Fonner Park in Grand Island. Troopers provided on-site law enforcement and security 24 hours a day throughout the 2-week event, patrolling the grounds on foot and bicycles. Troopers and civilian volunteers also staffed a booth where fair-goers could see a Dodge Charger patrol car, crank out souvenir pennies, pick up giveaways, and get information on road-way safety and career opportunities. The event saw a record attendance of more than 361,000!

NSP Volunteers Help City Mission

Several State Patrol employees from the Crime Lab and Criminal Identification Division, embodied the spirit of “Pro Bono Publico - For The Good of the Public” by volunteering at the People’s City Mission Homeless Prevention Center in Lincoln.

Volunteers included Melanie Rudy, Krystal Jelinek, Sue Winningham, Deb Davis, and Chris Esquivel. They vacuumed, scrubbed shelves, and helped clean and organize the store. The effort was organized and coordinated by Nina Anderson-Trumble of CID.

"It was really eye opening for me" said Krystal Jelinek. "I've volunteered for the mission before but never like this. It makes you really appreciate what you have and made me want to do more."

Core Values Article Available Online

Earlier this year, Nebraska State Patrol Chaplain Fr. Steve Thomlison was asked to write an article on Core Values for the Nebraska Trooper magazine. The Superintendent’s Office wanted to make it available to everyone. With permission from the Troopers Association of Nebraska, here is the link to the article on the STAN website: <http://www.netroopers.org/core-values-article.html>

Fr. Steve Thomlison was appointed as the first State Patrol Chaplain in June 2010. He is certified in Critical Incident Stress Management (CISM) by the International Critical Incident Stress Foundation, Inc. (ICISF) and is a member of the International Conference of Police Chaplains. A 27-year veteran of the Nebraska Army National Guard, Fr. Thomlison is currently an Army Chaplain candidate serving men and women of the Armed Forces of all denominations.

CORE VALUES – A DEEPER LOOK

BY FR. STEVE THOMLISON

This summer a national police website posted an article about Leadership, Management, and Policing. The article highlighted the goals of being a values-based police agency because values encourage and inspire excellence. From that perspective, there may be a benefit to taking a deeper look at the core values of the Nebraska State Patrol.

Nebraska Shows Support for Law Enforcement

The Nebraska State Patrol has recently received encouragement, support, and thanks from folks all across the state! While we expect nothing in return for the job that we do, it is our duty to serve and protect. We are thankful for the allegiance, and value the trust the public places in us!
